Today's biggest concern is maximizing your travel dollars, but putting together a reasonable vacation can start to feel like a second job. Instead of cutting corners and getting confused surfing different Web sites, book your next trip with **Trafalgar** to save time and money. Their escorted tours can cost up to 40 percent less than traveling independently—which is a substantial savings. Beyond the added value, Trafalgar brings more than 60 years of experience to their itineraries.

Trafalgar's Tour Directors double as knowledgeable guides and personal concierges. At major sights, you'll feel like a VIP because you don't have to wait in line. You'll stay in deluxe accommodations in the heart of dynamic cities with great access to local sights and night life. Travel on luxury motor coaches with comfort and ease. Some trips also include rail and cruise ship travel. Trafalgar provides breakfast (and some additional dinners), giving you ample opportunities to sample wonderful local restaurants on your own.

For a truly authentic experience, Trafalgar's tours take you to all the must-see attractions and sights, as well as behind the scenes to discover each country's culture and traditions. New this year, Trafalgar offers their exclusive "Be My Guest" dining program. You can sample home-cooked regional cuisine with local families or specially prepared meals in European wineries and ancient villas. It's these added touches that make traveling with Trafalgar a priceless and unforgettable experience.

Safe, hassle-free, and exciting—exactly what every vacation should be. For more information about traveling with Trafalgar to the world's most desirable destinations, visit www.trafalgartours.com or call (866) 248-8797. ●
